Travel to/from park details

Detailed travel plan map

- Plot the precise route that you'll take for your trip on the map provided on the following page.
- Label the locations of each National Park that you'll visit

Traveling by airline, bus, or train

- Attach computer printout of ticket reservation/price quote (Do NOT purchase ticket unless you plan to actually go on the trip!)
- Reservation quote **MUST** include (Reservations/ticket price estimates **MUST** be done via the internet and NOT through a travel agent!):
 - Company with which you'll be traveling (airlines, bus lines, train)
 - Flight/bus/train numbers
 - Dates and times of all flights
 - Ticket prices
- Footnote on reservation printout explaining how you'll get to/from airport

Traveling by car

- Complete the Car Travel Mileage Table
- Complete the Lodging Summary Table

In-Park details

Rentals

- If renting car, boat, other gear, complete the Rental Costs and Fees Table

Fees

- Complete National Parks Fees portion of Rental Costs and Fees Table

Camping

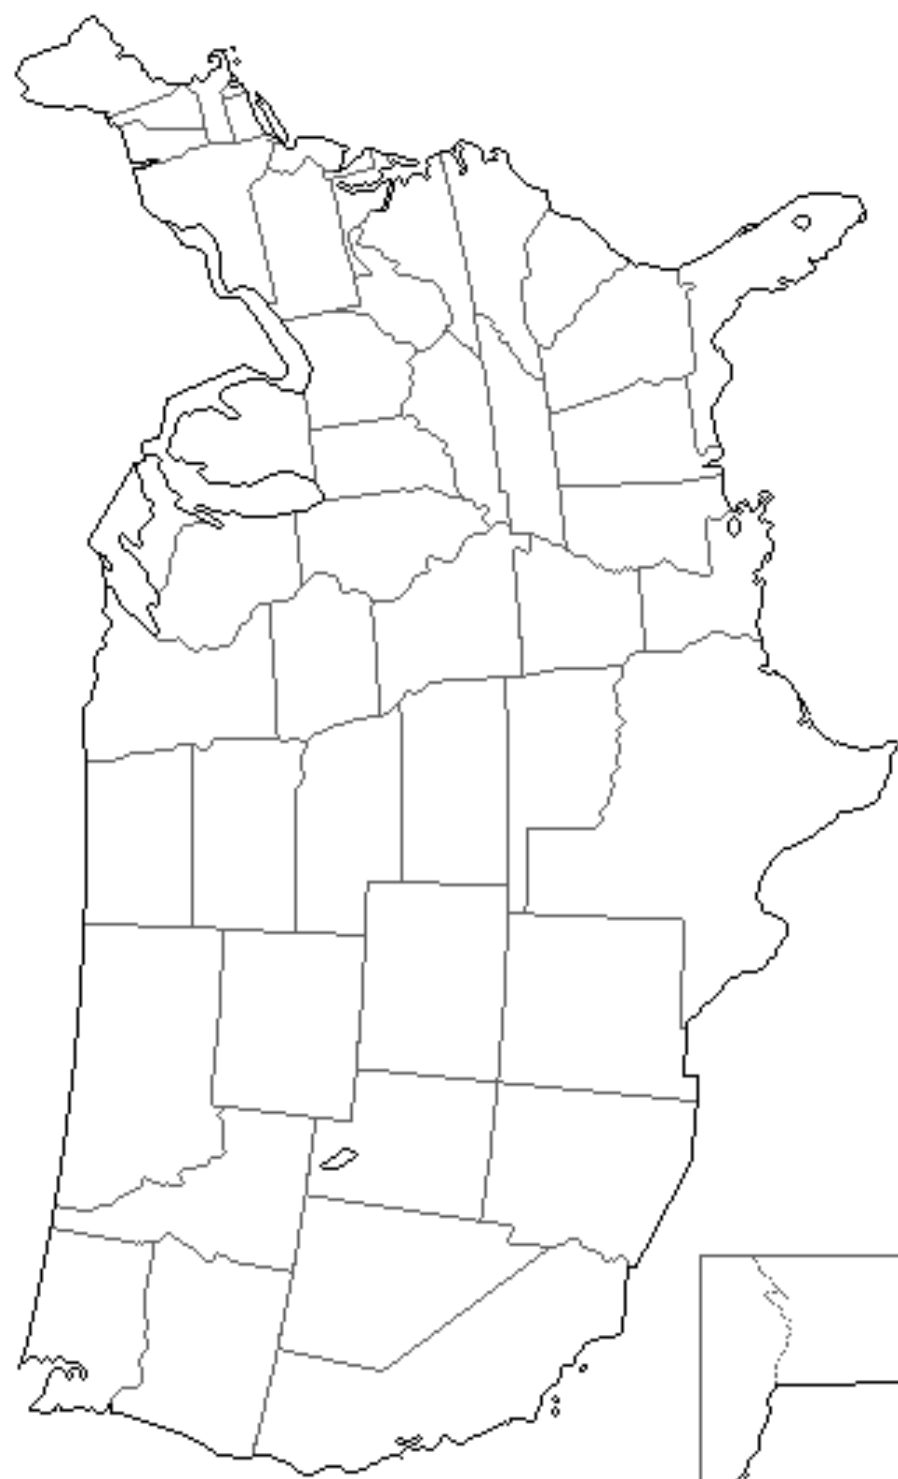

- Attach map of park illustrating trails that you plan to hike
- Attach camping gear list
- Attach menu of meals

Hotel/Motel

- Complete appropriate section of Lodging Summary Table
- Attach list of hotels within park and computer printouts of reservations forms

Geology Essay

Describe the geology of the key sites you will encounter on your visit in three to six **well-written** paragraphs. This essay should be typed and printed out in 12-point font and double-spaced. Attach any supplementary materials/graphics that help you illustrate your points, etc.

The United States

Car Travel Mileage Table

Date	From city	To city	Miles	Travel time* (hours)
Total				

* Travel time = Miles x 50 m.p.h.

Gas costs	x	20 m.p.g.	x	\$1.50/gallon	=	Total gas cost
Additional costs (i.e., ferry, road tolls, etc.)						
Total fuel & fees						

Lodging Summary

Travel TO PARK

Date	City	Motel/campground name	Cost
Subtotal			

Lodging WITHIN/NEAR PARKS

Date(s)	City	Motel/campground name	Cost
Subtotal			

Travel HOME

Date	City	Motel/campground name	Cost
Subtotal			
Total lodging costs
